radius financial group inc. voted among *Banker & Tradesman's* Best of 2013
#1 residential mortgage company; #2 residential lender in the banking category

October 30, 2013, NORWELL, MA – radius financial group inc., a leading, private mortgage lender in New England, was voted the number-one residential mortgage company and the number-two residential lender in the banking category by *Banker & Tradesman's* Best of 2013. For six years, the annual readers' poll has allowed readers to cast their votes for the best providers of goods and services in banking, insurance and real estate.

According to *Banker & Tradesman*, published by The Warren Group, "This is a subjective, not objective, poll. It does not measure who writes the most business, who has the most revenue or the most customers. It does measure the loyalty and satisfaction readers have with vendors. It is an opportunity for readers to speak up for those providers they believe are the best."

Sarah Valentini, principal of radius, primarily attributes the votes to the superior customer experience the company provides. "I really believe that's been the key to our continued success, and what's allowed us to ride the ups and downs of the industry's economic cycles," said Ms. Valentini. "It's a truly an honor that so many people recognize those efforts and voted for us."
